DETAILED ACTION

Response to Amendment

In response to the amendment filed April 11, 2005 in which the applicant submits arguments and claims 1-29 are pending in this office action.

Non-Patent Literature

Applicants unfortunately did not receive the copies of the NPL cited on the PTO 892 mailed March 4, 2005. The examiner has re-cited/re-sending copies.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The arguments presented regarding the, "at least one card of the second layer of cards partially covering at least three cards of the first layer of cards" to be patentably distinct from the prior art. The prior art discloses layers of cards in columns or tiles layered and not an overlying relationship to the first layer of cards where at least one card of the second layer of cards partially covers at least three cards of the first layer of cards.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
